RVP 119D

**5:30 PM - Friday
September 14, 2018
AT THE FARM, NEWBURGH, ON**

Dear friends and fellow Hereford Breeders,

It is hard to believe that by the time you are reading this, autumn will be knocking on our door. When we were younger, summer days seemed to stretch on forever. Now they go by in a flash and sale time has rolled around once again.

We appreciate the support and confidence in our program you have shown us over the years.

On offer this year, we feel we have something for everyone.

Whether you are looking for that show animal, potential donor dam, brood cow or breeding bull, we are confident that we have the "Genetic Design" for you.

We are extremely proud of our River Valley herd sires "Architect" and "Authority" as well as our young bull "Direction". These walking bulls have done a great job in our pastures and are making their mark in our program.

Once again we are happy to have Thurston Livestock join with us. Check out their sweet little lady. We think she is one of the best they have ever had on offer. Don't let her slip by!

We invite you start your Ontario Hereford weekend, by joining us on Friday, September 14th, then attending the Elm-Lodge sale on Saturday and the Autumn Alliance sale on Sunday.

The cattle will be on display all day, with the sale starting at 5:30 pm.

Why not come early, look them over and have lunch before sale time. After the sale please be our guests for refreshments and a time to socialize with fellow Hereford enthusiasts.

If we can be of any assistance to you prior to the sale, please give Donna a call at the office. She can be reached at 613-378-2701. She would be please to assist you with accommodations or any information you may need.

Feel free to stop by the farm and view the sale cattle. Donald or Christian would be more than happy to show you around. Or contact any of our sale representatives. Videos of the cattle are available through our website at www.rivervalleyherefords.com.

We look forward to seeing you at the farm!

Elwyn, Donald and Pauline

Fellow Hereford Breeders,

It is a pleasure to assist the Embury family with their Genetics Designs Production sale. One goal of a true breeding program is the development and use of "homegrown" herd sires. This is certainly true here and featured in this sale are producing daughters of resident herd sires RVP 9050 Architect 46A and RVP 100W Authority ET 70A. Both of these young bulls are used heavily as walking bulls and both their sons and daughters are vital to the success of this program.

Also featured is the service of RVP W18 Direction ET 119D, junior yearling champion bull at the 2017 Canadian National Hereford show. He is a massive, sound, big footed beef bull that is impressive on the move. His dam "Rose Garden" is a proven prolific donor and the dam of the lot 1 female in this sale.

We are excited about the herd sire prospects offered and feel they are the strongest set yet.

The heifer calf pairs are the longest and deepest they have ever sold and believe you will agree. They represent some of the breeds elite sires and mainstream genetics.

Looking forward to seeing all of you and happy to assist in any way possible.

Feel free to call.

Respectfully,

Dale Stith, Auctioneer

- Our fault free sire who simply does it all well. He has proven his worth over and over as a calving ease sire. Now his daughters are making beautiful functional mothers who raise some of our best calves. His sons are deep, thick, muscular and develop into herd sires or feed out efficiently in our feed lot. Several breeders have asked about buying his walking rights but as Donald says "he'll likely just grow old right here!"

- Fancy as her name, this heifer has the “show look”. Her mother is a tank of a cow from Lamb Brothers in Wisconsin that consistently produces good heifers year after year. At Genetic Designs XII we sold a maternal sibling to Lone Spruce Herefords that are happy with. Her sire, a home-raised bull, has left a very consistent group of dark, attractive and balanced calves. THUR 1072F will grow into something special for her new owner.

Payment

Terms of the sale are cash, cheque, visa or mastercard. All cattle are to be paid for before they are released. All other arrangements must be agreed to with the owner or manager prior to the sale. All transactions are in Canadian dollars.

Rules of the Sale

Each animal will be sold to the highest bidder. The auctioneer shall settle any disputes and that will be the final authority. Any announcement from the auctioneer's stand will take priority over printed material in this catalogue or any information on the supplement sheets furnished on sale day. All animals in this sale become the immediate property of the buyer once they are sold. All buyers are expected to recognize this fact of their ownership and either accept full responsibility or else insure their animals before leaving the sale.

Health

All animals in the sale have met all necessary health requirements

Delivery

Will be provided at cost at the buyers option and risk. Instructions for delivery must be given at time of settlement. No cattle will be released until after the conclusion of the sale.

Breeding Guarantee

All cattle in this sale are guaranteed in accordance with the rules and regulations of the Canadian Hereford Association. Any female which is stated to be pregnancy checked safe in calf is guaranteed to be pregnant at the time of this sale. All females safe in calf or with a calf at side are thereby considered breeders with no further guarantee. All females who have been serviced but not checked

safe in calf, carry no guarantee on this breeding. The owners can guarantee a service to this same breeding at a later date after the sale providing it involves one of their active herd sires that is eligible for semen sales. Females cannot be guaranteed if they are subjected to estrus-synchronization or super-ovulation treatment. Please listen carefully to special guarantees from the auction block during the sale. The owners understand that when something goes wrong both the buyer and the seller have losses. We will make every attempt within reason to stand behind our cattle.

Liability

All persons attending this sale and related functions do so at their own risk. The sellers and sale management assume no liability, legal or otherwise, for any accidents that may occur. Accidents at cattle sales are very rare, but all persons attending this sale must understand that they do so at their own risk. In the event that unforeseen circumstances cause the cancellation of this sale for any reason, the sellers and sale management will not be liable for expenses incurred by anyone planning to attend the sale. The sellers and sale management also reserve the right to withdraw any animal catalogued from the sale for any reason without recourse.

EPDs

EPDs are updated regularly by the CHA so we cannot guarantee that the EPDs listed in this catalogue will be the same as those assigned to the cattle by sale day. (EPDs were taken as of August 6, 2018). Visit the CHA website to attain the most current data. River Valley and their consignors cannot be responsible if the cattle do not perform as indicated by these numbers..
