Dear friends and fellow Hereford Breeders,

We are honoured to invite you to Genetic Designs XIII. It’s hard to believe that another year has rolled around so quickly and that we are about to host our 13th sale. You would think that it would get easier by now, but each year seems to bring its own special twists and challenges and then in a flash it is all over.

Dealing with the weather has been its own challenge these past two years. It seems like we are now living in a world of extremes. After last year’s heat and drought in Ontario, this year has seen nothing but rain and floods. Except for picture day – ALWAYS the hottest day of the year! Thanks to the crew for toughing it out and getting the job done!

One thing that we believe should not be extreme though is our cattle. From future herd sires and brood cows to show animals and potential donor dams, developing predictable genetics from proven bloodlines is our goal. Our breeding is influenced by genetics from some of the leading herds in North America. Our herd sires 46A, 70A and 79A as well as Crossover and Trust are leaving their mark in our program.

We are proud to offer you a “Genetic Design” that you can be confident in.

Once again we are happy to have Thurston Livestock join with us. Please give Nancy or Ivor a call regarding their consignments. They would be pleased to visit with you about their program.

The fall is a great time to visit Ontario. Make it a Hereford weekend by planning to attend our sale Friday, September 15th then attending the Elm-Lodge sale on Saturday and the Autumn Alliance sale on Sunday. The cattle will be on display all day, so come early and look them over before lunch. The sale starts at 5:30 pm. After the sale please be our guests for refreshments and a time to socialize with fellow breeders.

If we can be of any assistance to you prior to the sale, don’t hesitate to call our office at 613-378-2701. It would be our pleasure to assist you with room reservations or any information you need.

We look forward to seeing you at the farm!

Sincerely,

Elwyn, Donald and Pauline

Fellow Hereford Breeders,

It is again a pleasure to assist with this sale and be back in Canada! It’s been an honor to work in your fabulous country for the past 36 years and I am humbled by this opportunity. Over that span the Hereford breed has changed so much and the improvement in our cattle has been tremendous. Demand for our great females is strong and breeders continue to search for those top shelf herd bull prospects. It’s a joy to be in the business.

This program has followed suit by continuing to improve by using A.I., embryo transfer, adding elite herd sires and females from several of the top programs across North America. Donald continues to demand that his cattle function as desired or they hit the cull list. Cattle at River Valley have to work at both ends of the production chain as they not only have a breeding herd but also a feedlot where they finish both home grown and purchased steers and heifers. They understand the cattle business.

With that thought in mind they are proud to offer this production oriented set of Hereford bulls and females. You will certainly like the udders on the cows, the correctness of structure and fleshing ability of all cattle selling and the marketability of the pedigrees. This 13th sale offers in my opinion the strongest set of cattle yet. The influence of RVP herd sires 46A, 70A and 79A is especially exciting because all programs desire to produce their own herd bulls. Their newest herd sire Crossover has his first set of calves on the ground and they are exciting. Trust 100W continues to do no wrong in this breeding program.

Looking forward to seeing all of you and happy to assist in any way possible.

Feel free to call.

Respectfully,

Dale Stith, Auctioneer

- YW: 96.8
- M: 14.2
- TM: 44.7

**Description:**
- This is a young bred cow that we appreciate for her phenotype and easy doing ability. Her EPDs reflect high growth and performance. Her mother is a 10 year old never miss cow that we purchased as a calf from Wilgor Farms and are very happy with her longevity. On the top side of her pedigree is Loose Change who was Reserve Champion Junior Yearling Bull, 2012 World Hereford Conference in Olds Alberta. We have used this bull in the last couple of years through A.I. and he leaves tidy udders and growth.
- Bred April 19, 2017
- **Due Date:** January 26, 2018

- WLB LEGO 83T 90X (DLF IEF HYF)
- IVRT 90X AMMUNITION 226A (DLF IEF HYF)
- REMITTALL ONLINE 122L
- TL 122L PETUNIA 152 (DLF IEF HYF)

**EPDs:**
- CE: 0.7
- BW: 4.3
- WW: 53.0
- YW: 88.6
- M: 18.9
- TM: 45.4

**Description:**
- Looking back we should have added this heifer to the showstring. She exhibits femininity and angularity. THUR 114E is a granddaughter of TT Petunia 128P that has produced embryos and natural calves such as TL 5073 JESSICA 751U who has done a tremendous job for Haroldsons. Her sire, IVRT 226A keeps getting better with age, and has left a mark in our herd, he throws lots of pigment and length of spine.

- This heifer is long and thick muscled and has natural shape and do-ability. This heifer will go on to make a great momma cow. Her mother was Dave Hasson’s pick of the year she sold at Medonte’s and she’s had calves that we are excited about year after year.

Exit on Hwy 41 north (Exit 579)
Turn right on Goodyear Road
Goodyear Road runs into County Road 11
Go straight on County Road 11 to Embury Road
River Valley is located at 398 Embury Road

From the East, take Hwy 401 to Camden
East Turn left at 4-way stop in Camden East
Turn right at 3-way stop in Newburgh
Turn left at Academy Street
Turn right at Embury Road
River Valley is located at 398 Embury Road

From Toronto Airport, follow 401 East to Exit 579
1½ to 2 hours Driving Time

From Syracuse, NY Airport, North on Interstate 81 to the Canadian Border take Highway 401 West

Accommodations

River Valley has reserved a block of rooms at a special rate at the following hotel:

Hampton Inn (14 minutes from Newburgh, ON)
40 McPherson Drive, Napanee, ON K7R 3L1
$145.00 per night plus HST

Payment

Terms of the sale are cash, cheque, visa or mastercard. All cattle are to be paid for before they are released. All other arrangements must be agreed to with the owner or manager prior to the sale. All transactions are in Canadian dollars.

Rules of the Sale

Each animal will be sold to the highest bidder. The auctioneer shall settle any disputes and that will be the final authority. Any announcement from the auctioneer’s stand will take priority over printed material in this catalogue or any information on the supplement sheets furnished on sale day. All animals in this sale become the immediate property of the buyer once they are sold. All buyers are expected to recognize this fact of their ownership and either accept full responsibility or else insure their animals before leaving the sale.

Health

All animals in the sale have met all necessary health requirements

Delivery

Will be provided at cost at the buyers option and risk. Instructions for delivery must be given at time of settlement. No cattle will be released until after the conclusion of the sale.

Breeding Guarantee

All cattle in this sale are guaranteed in accordance with the rules and regulations of the Canadian Hereford Association. Any female which is stated to be pregnancy checked safe in calf is guaranteed to be pregnant at the time of this sale. All females safe in calf or with a calf at side are thereby considered breeders with no further guarantee. All females who have been serviced but not checked safe in calf, carry no guarantee on this breeding. The owners can guarantee a service to this same breeding at a later date after the sale providing it involves one of their active herd sires that is eligible for semen sales. Females cannot be guaranteed if they are subjected to estrus-synchronization or super-ovulation treatment. Please listen carefully to special guarantees from the auction block during the sale. The owners understand that if something goes wrong both the buyer and the seller have losses. We will make every attempt within reason to stand behind our cattle.

Liability

All persons attending this sale and related functions do so at their own risk. The sellers and sale management assume no liability, legal or otherwise, for any accidents that may occur. Accidents at cattle sales are very rare, but all persons attending this sale must understand that they do so at their own risk. In the event that unforeseen circumstances cause the cancellation of this sale for any reason, the sellers and sale management will not be liable for expenses incurred by anyone planning to attend the sale. The sellers and sale management also reserve the right to withdraw any animal catalogued from the sale for any reason without recourse.

EPDs

EPDs are updated regularly by the CHA so we cannot guarantee that the EPDs listed in this catalogue will be the same as those assigned to the cattle by sale day. Visit the CHA website to attain the most current data. River Valley and their consignors cannot be responsible if the cattle do not perform as indicated by these numbers.
